FRONTIERS IN COOPERATIVE BANKING AWARDS

NCBS & FCBA Awards Conference

📅 11th - 13th October 2023

📍 RIO Resort, GOA

Unleashing the **Power** in Cooperative Banking

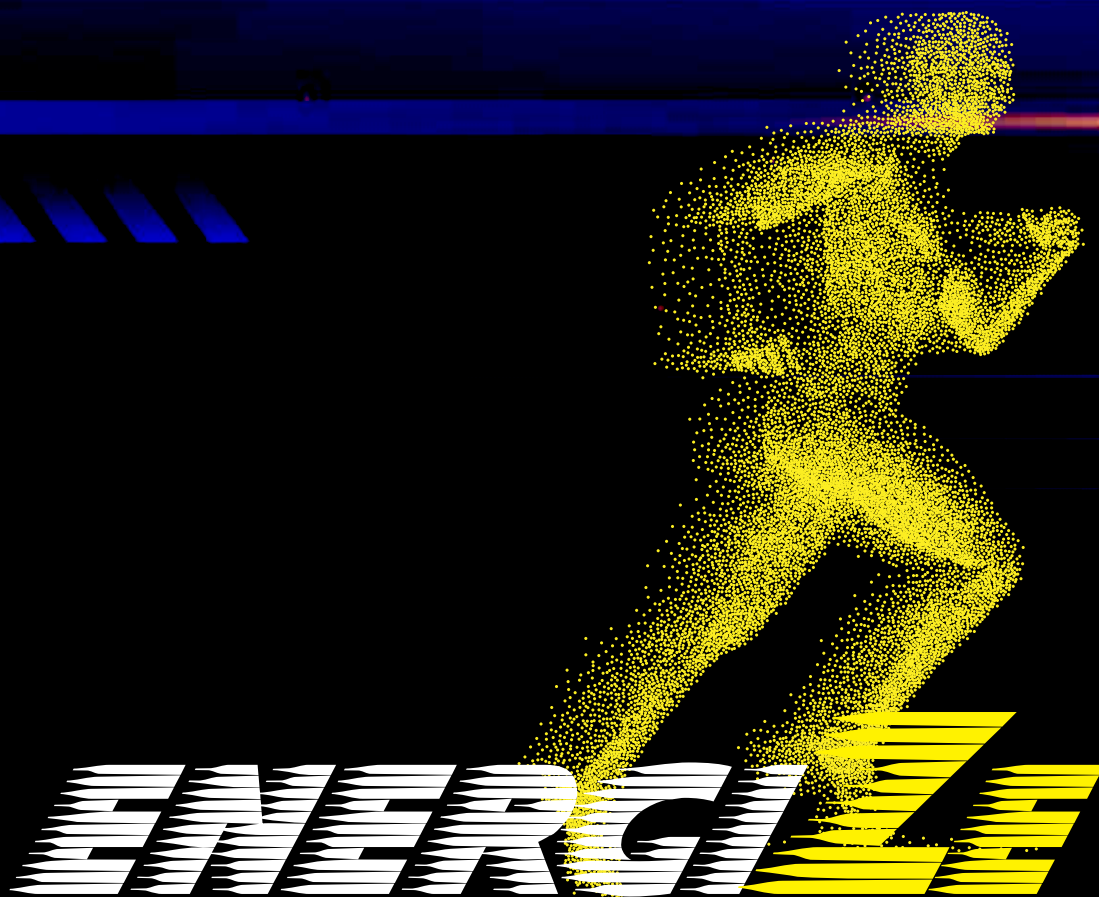

Frontiers In Cooperative Banking Awards

The cooperative banking sector in India has traversed a remarkable journey, emerging as a vital force in global credit unions and a lifeline for the middle and lower strata of society. Recognizing its significance, the Government of India, led by the honorable Minister Shri. Amit Shah and the esteemed Chairman of National Cooperative Development Corporation, Shri. Suresh Prabhu, has laid the groundwork through the National Cooperative Policy.

Embracing the winds of change, the sector has been infused with renewed vigor through liberalized business norms, expanded branch networks, and an open technology landscape. From raising housing loan limits to bolstering the Umbrella Organization and facilitating doorstep banking, the government's unwavering support propels the sector towards its former glory. The appointment of visionary leader Shri. Atul Khirwadkar as CEO of NUCFDC has further ignited optimism, fueling the sector's journey towards uncharted realms of growth and resilience, bolstered by policy and technology. The regulator's commitment is reinforced through the provision of a Nodal officer, fostering stronger engagements.

In line with this transformative spirit, Banking Frontiers proudly presents the 17th FCBA 2023 awards with the theme "EnergiZe." This edition will delve into the paramount business and technology strategies that will catapult the cooperative banking sector and its pivotal role in India's journey towards a 5 Trillion economy by 2029.

With great pleasure, Team Banking Frontiers, alongside NAFCUB and all supporting cooperative banking associations and federations, cordially invites the sector, key solution providers, partners, and associates to join this euphoric carnival, uniting forces to EnergiZe the Cooperative Banking Sector.
